

Mini Sports Stars FC Season 2021-22

Disciplinary Actions

As a club, we hope that all aspirations and expectations are explained clearly at the start of the season to ensure the best for all players. However, any representative who is part of the club that fails to abide by these rules, and ignore the relevant code of conduct will face disciplinary actions. We hope it doesn't get to this.

Three Strikes and you're out:

First Strike: Letter

You will receive a letter from the club, stating all details of the incident that would of occurred. If there is any grey areas or anything that is unclear with this, please speak with George Pannell (Club Chairman & Welfare Officer) to be explained as to why this has been issued.

Second Strike: Club Meeting

You will be asked to come in for a club meeting to have a chat with a senior member at the club. At this meeting, we will discuss incidents that have occurred, why they been issued and what can be done to prevent anything else happening. We will go over all relevant code of conduct practises and as a club do everything we can to support you and ensure we can all move forward as a team.

Third Strike: You're Out

We sincerely hope as a club we never reach this stage, and hope as a club we can offer as much support as possible so everybody is fully on-board and fully understands everything. Unfortunately, if a third strike is issued it will result in your child's registration being withdrawn from the club and no money will be refunded. We really hope this never occurs!

With any of these strikes, we would appreciate it if everyone didn't take this personally, but in fact saw this as a positive procedure in order to keep standards high at the club. We want the best for every player!
